

# **Metaheuristics For Scheduling In Distributed Computing Environments (Studies In Computational Intelligence)**

## **dblp: Studies in Computational Intelligence -**

Bibliographic content of Studies in Computational Intelligence. Intelligent Distributed Computing VIII Evolutionary Computing and Metaheuristics

## **Search results for " Metaheuristics for Scheduling -**

Publications at "Metaheuristics for Scheduling in Industrial and Manufacturing Applications" Variable Neighborhood Search, Distributed Computing Environments: 1:

## **Composite Scheduling Strategies in Distributed -**

of distributed computational environments for Grid Computing. Metaheuristics for Scheduling in Distributed Computing Environments, Studies in

## **Metaheuristic based scheduling meta-tasks in -**

Scheduling is a key problem in distributed heterogeneous computing systems in order to benefit from the large computing capacity of such systems and is an NP-complete

## **International Journal of Applied Metaheuristic -**

Distributed computing, relevance feedback, machine learning, computational intelligence, operations research, and computational biology.

## **Scheduling Meta-Tasks in Distributed -**

distributed processing; minimisation; particle swarm optimisation; Processor scheduling; Simulated annealing Personal Sign In; Create Account; IEEE Account

## **Metaheuristics for Scheduling in Distributed -**

Pris 1975 kr. K p Metaheuristics for Scheduling in Distributed in research, development and scheduling will in a Distributed Computing Environment

## **Efficient Batch Job Scheduling in Grids Using -**

Efficient Batch Job Scheduling in Grids Using Cellular Method for Job Scheduling in Distributed Environments Studies in Computational Intelligence,

### **Population-Based Metaheuristics for Tasks -**

This paper proposes a simple population based heuristic for task scheduling in heterogeneous distributed systems. The heuristic is based on a hybrid perturbation

### **SCHEDULING IN HETEROGENEOUS COMPUTING AND GRID -**

SCHEDULING IN HETEROGENEOUS COMPUTING AND GRID

ENVIRONMENTS USING A Distributed computing environments have Studies in Computational Intelligence,

### **Metaheuristics for Scheduling in Industrial and -**

Studies in Computational Intelligence 128 Metaheuristics for Scheduling in Industrial and Manufacturing Applications von Fatos Xhafa, Ajith Abraham

### **Metaheuristic Based Scheduling Meta-Tasks in -**

Metaheuristic Based Scheduling Meta-Tasks in Distributed Heterogeneous Computing Systems (2009)

### **Wiley Interdisciplinary Reviews: Data Mining and -**

Wiley Interdisciplinary Reviews: Data Mining and Knowledge Discovery Article type: Overview Knowledge Discovery for Scheduling in Computational Grids (2012)

### **EI-Ghazali Talbi - Books - [www.lifl.fr](http://www.lifl.fr) -**

reusable parallel and distributed metaheuristics", scheduling in distributed computing environments, and Distributed Computational Intelligence,

### **British National Bibliography | The British -**

in engineering systems: Computational intelligence criteria metaheuristics for scheduling in large distributed computational intelligence:

### **A Hybrid Metaheuristic Algorithm for Job -**

in Distributed Computing Environments, Metaheuristics for Studies in Computational Intelligence, for Job Scheduling on Computational

### **Scheduling Meta-tasks in Distributed -**

scheduling in heterogeneous distributed computing using genetic algorithms , Artificial Intelligence Review, 2005 pp. 415

**Peer-to-Peer Neighbor Selection Using Single and -**  
and Multi-objective Population-Based Meta in Distributed Computing  
Environments, on Computational Collective Intelligence,
